

Need help funding your college dreams?

It starts with FAFSA Frenzy: Getting Help Paying for College Campaign! “Free Application for Federal Student Aid” (FAFSA)

What is FAFSA?

Free Application for Federal Student Aid—your starting point for obtaining financial aid for college.

Who should complete the FAFSA application?

All 12th-graders who are preparing for college admissions should complete the application.

Why?

Data indicates that 90% of students who complete the FAFSA enroll in college. Also, FAFSA completion is a requirement to receive Florida Bright Futures Scholarships.

How?

Go to www.FAFSA.ed.gov to complete and submit the application.

When?

Students planning to start college in fall of each school year should submit the FAFSA application beginning January 1st, but no later than by May 15th.

Where can I get help?

See your school’s College Assistance Advisor (CAP), school counselor, or visit www.dadeschool.net.

This message brought to you by the Miami-Dade County Public Schools Division of Student Services

Parents may choose to Opt-Out of participating in the FAFSA Completion Project at their discretion *
